Welcome

Dear TESC Housing Residents:

The purpose of this brochure is to acquaint you with the unique insurance policy on your personal property which is made available to you through Fidelity Associates Insurance.

The College assumes no responsibility for loss or damage to any College resident's personal property from any cause. The College strongly recommends to the College resident to obtain insurance coverage by either purchasing a renter's insurance policy, verifying the coverage is available under their parent's homeowner's insurance policy or the resident may purchase coverage under the College Student Personal Property Insurance Program outlined in this brochure. Failure to verify or obtain personal property insurance may result in an unrecoverable financial loss. Additional brochures and application forms are available from the Housing Office, A301.

I would encourage you to read the brochure carefully. A student, like all others, is subject to many risks and exposures. The loss of your personal property through theft, accidents, or fire within your living premises is a risk that you may wish to protect. Please note that theft of stereo, DVD, television equipment, and bicycles requires a higher deductible and a \$600 limitation on those items.

COMPUTERS ARE COVERED AS ANY OTHER PROPERTY, SUBJECT TO A \$100 THEFT DEDUCTIBLE

To obtain the insurance coverage, please indicate your acceptance on the form by signing and returning the application along with your check in the enclosed self-addressed envelope, or visit www.fidelityins.com to enroll online. If you do not want to purchase this insurance please acknowledge your rejection on the application and return in the self-addressed envelope.
